**MONEY!** There is a time in the affairs of all men when they need every cent of money that is owing them. That time has arrived with the publisher of this paper, and we wish those indebted to us to respond immediately. There is not a man in debt to us but what can pay us at once, if he is so disposed. As a rule, it is negligence that causes them to be in our debt. Come forward at once and pay us what is our due, and we will try and give you a good, readable County Paper.

NOTICE New Advertisements.—J. T. Crew's Law Card, F. W. Moore's Law Card, and Farm For Sale.—This farm, that is offered by E. M. Stanbery, is well worth more than is asked for it. Somebody will get a great bargain in it.

REV. C. W. COURTHRIGHT will preach at the Cross Roads Presbyterian Church next Sabbath, July 9th, at 4 P. M.

FEAR O'CONNOR, recently of this county, died of disease of the heart at a hotel in St. Louis, Missouri, on Thursday night of last week. He, with his family, was on his way to a home in the West.

FIN R. HANNA, formerly of this place, but now of St. Joseph, Mo., and Miss ANA DEVELLING, formerly a teacher in the McConnellsville High School, were married recently at Columbus, Ohio, by Rev. D. H. Moore.

THE Annual Meeting of the Federal Creek Valley Pioneer Association, for 1871, occurred at Amesville on the 5th. James M. Gay, lord and wife, R. H. Shepard, A. W. Walker, A. S. Dickey, and others of the locality, were in attendance. It is reported as having been a very interesting affair.

THE Hickory Bass Ball Club, of this place, played a game at Athens, with the Athens Club, on Wednesday, the score resulting in a score of 15 runs for the Hickories, to 13 runs for the Athens Club. The Hickories think they can beat any Club in Ohio outside of Cleveland.

Good crops will be the result of the farmer's labor in Morgan county this year, if we are to judge of the rest of the county by the appearance between here and Mountaineer. Corn, wheat, potatoes, oats, tobacco, everything except grass, looks flourishing. There will be an abundance of fruit, also, in that section.

COCHRAN, BOZMAN & Co. sold one of their Threshing Machines this week to go to Central Missouri. It was shipped to Keokuk & Kneeland, Elston Station, Mo. Another, on Tuesday, was shipped to Coal Run; and they have another ready for a Barabazille, Noble co., customer. Besides this foreign trade, they are patronized well by the people of this County.

RICARD McELHANN, of Bloom township, met with a serious accident on last Saturday. While unloading some wood from a wagon, Mr. McElhann got in the way of a heavy stick, thrown from the wagon by his son, which struck him, just back of the left temple. It was thought that his skull was fractured, but it is hoped that it will prove erroneous. At latest accounts, he was thought to be recovering.

W. A. Smit, of this place, received a telegram from St. Joseph, Mo., on Wednesday last, stating that Mrs. Kate Roselle, youngest daughter of the late Milton Seaman, of this place, died on the morning of that day, and that her funeral would take place the next day. She was in the twenty-sixth year of her age, and leaves a husband and son, the latter a little over a year old. She is supposed, by her friends here, to have died of hemorrhage of the lungs.

THE Herald's platform, which was published last week, and in which the Herald men resolved not to support other than Temperance men for office, or rather that they would not support any man in the habit of using intoxicating liquors as a beverage, had to come down from the name of Mueller, Republican candidate for Lieutenant Governor, was nominated. The Republican State Convention did not pay much regard to the resolves of the Herald.

MR. STANTON, who prides himself on being a staunch Temperance man, has pledged himself, by accepting the Republican nomination for Representative (see resolutions of Republican County Convention), to vote for Mueller, the Republican candidate for Lieutenant Governor, who is a German Liberator, who believes that the Sabbath was instituted for no better purpose than to be a day of general hilarity, Lager Beer drinking, &c.

VIOLIN and Guitar Strings—Fresh and of the best quality, at Vincent's.

LOST!—The hook attachment of upper part of an Emerald (Grover & Baker) supposed to be lost on the streets of McConnellsville, within a few days. The finder will be rewarded by leaving the same at Adair's book store.

ZANESVILLE has had two deaths, the immediate result of whisky, within the past week. One young man, who had been drinking excessively, fell over in his chair, dead. Another fell off one of the Zanesville bridges, when in a state of intoxication, and met his death.

On the 27th ultimo, Joseph Frisby and wife, of Marion township, this county, were thrown from their buggy, while the horse was running away, and seriously injured. Mr. Frisby fatally. Our informant says: "Mr. Frisby received a compound fracture of the upper part of the leg; left side of chest mashed, seriously injuring the lungs. He survived till the 3rd instant, when death put an end to his sufferings. His wife was thrown against the fence, her face, neck, breast and abdomen striking the ends of the rails. She will probably recover. The accident was caused by the breaking of the harness, letting the buggy run on the horse."

RAILROAD MATTERS.—A great many of our citizens are enquiring about the contemplated railroad, no one seeming to know anything about it. All we can ascertain relative to it, is that the town of Books have been opened all along the line, and that subscriptions of Stock are being daily received. More than a week ago, \$12,000 had been subscribed at Cumberland, and the subscription in McConnellsville has reached about \$12,000. We do not know how much has been subscribed in Malta, and at other points along the line. There is no doubt but that if the matter is pushed with proper energy, the money can be raised with which to make the road a success.

A BAPTIST CHURCH, (colored), of Putnam, held a Pic-Nic party in our Grove on last Saturday. One of their speakers, Elder H. H. Wells, of Wellington, Ohio, touched upon Prohibition in his remarks, about as follows: "Slavery was a great curse, a great crime; but it was small in its hideousness when compared with the curse of the Liquor Traffic. Slavery only affected a section of this country and a small portion of the people; but the Liquor Traffic is in all sections of the country and of the world, and affects all classes and conditions of mankind, and brings grief, sorrow and distress into almost every family. Moral reforms never go backward, and the one now being waged against the Liquor Traffic will not be an exception to the rule."

The Elder was in sore distress, when he arrived here, for fear some who were at the Pic-Nic would get intoxicated before they left our town, but when told that there was not an open bar in the town, he exclaimed, "The Lord be praised!" The Pic-Nickers behaved themselves in a very praiseworthy manner, and elicited the praise of all our citizens.

FOURTH OF JULY in McConnellsville was rather quiet. A great many of our citizens were absent on excursions of one kind and another. The steamer Mink took a boat load to Zanesville and back. A Pic-Nic party from Zanesville, numbering about four hundred, made its appearance here, however. They were escorted from the boat landing to the Grove by a portion of the McConnellsville Silver Band. But strange to say, the Zanesville folks couldn't appreciate the service rendered. They thought our citizens were making fun of them, and got mad, and said in manner of hateful things about McConnellsville and McConnellsville people. One boy of the Zanesville heart-washers was passing along our streets, exclaiming, "Do tell, if they ain't got a Military store here!" "Why there's a Boot and Shoe store!" "Why, 'pon my word, there's a School House!"—when one of our Amazonian beauties, with the voice of a siren, sang out, "Did you ever see as ugly set of women in your life as these Zanesville women?" Where, but wasn't there evidences of a Zanesville storm! We have had two Pic-Nics of colored people come from Zanesville here within the past year, and two of white people. It is the universal opinion here that the white people of that city had better learn of their colored people how to conduct themselves when they go away from home.
